Does the tuition include accommodation?

No. The tuition only covers the courses and most of the activities of the session.

But Shanghai Summer Summer School scholarship holders and students nominated by CLIC will have free on-campus dormitories.

I wonder whether there is any scholarship that I can apply for?

If you are a college student from the 23 countries in North America, including the United States, Canada, Mexico, Costa Rica, etc. (based on nationality and please consult the list of specific countries by emailing us), you can apply for the Shanghai Summer School Scholarship which offers a waiver of the application fee, tuition and free on-campus dormitory for FISS 2023.

If you're eligible, please submit your application for this scholarship here: <https://www.wjx.cn/vm/hSpPadI.aspx#>

How much should I pay for the tuition if I am a student nominated by Fudan's partner university?

As a student of Fudan's partner university, you can come as an exchange student with a tuition waiver or a self-paying student with a tuition of CNY 18000 if your university agrees to nominate you. We will need your home university to officially nominate you by emailing us at iss@fudan.edu.cn.

If you are not eligible for either of the above, please contact the Chinese embassy or consulate at your end to see whether there is any financial

support available for international students interested in such short programs in China.

How much will the summer session cost in total?

Besides the tuition, you will need to pay for the following:

1. A return ticket to and from Shanghai.
2. For your reference, the room charges are around 200-250 yuan per day at Seyi.

Transportation costs 2 yuan per bus ride, and 3-8 yuan per metro ride. You don't have to buy textbooks beforehand. The professors and TAs will help you get the textbooks and other teaching materials when you are here.

The Application Processes

How do I apply for the summer session?

If you are a Chinese citizen from China's mainland, Hong Kong, Macau or Taiwan, please register at <http://register.fudan.edu.cn/>. More instructions about how to complete the application process can be found on the official website as follows:

https://iss.fudan.edu.cn/Application_Admission/Eligibility_Application_Process.htm

If you are a foreigner please apply at <http://admission.iso.fudan.edu.cn/> with the following documents:

1. Your photo
2. A copy of your passport's information page. Please note that the name in the online application should be exactly the same as the name on your passport.
3. Your transcript of academic records
4. Certificate of your enrollment status at your home university
5. Certificate of your English skills, if applicable. Native speakers of English or students taking English-taught programs are exempt from the language requirement.
6. Application code, which is **876701 for self-support students**. Exchange students with a tuition waiver and self-support students have different application codes in the online system. Exchange students do not need to pay the application fee while the self-support students do. But if an exchange student uses the wrong code and pays the application fee, it is regrettably not refundable.

We may require further application documents if the circumstances justify it.

I have dual nationalities holding a foreign (non-Chinese) passport and the Hong Kong/Macau passport. Should I apply as an international student or a Chinese student?

If you have the Mainland Travel Permit for Hong Kong and Macao Residents, please apply as a Chinese student with this ID document. If not,

please apply as an international student with your non-Chinese passport. In any case, please do not use your Hong Kong or Macau passport.

If you plan to enter China's mainland with your HK travel document please apply as a Chinese student.

And please enter China's mainland with the same ID document used in application.

What is the deadline for application? Will it be fine if I apply just before the system closes?

The application deadline is June 8, 2023. We recommend you apply as early as possible, so that you can enroll in courses earlier. The course enrollment system will open in May, for which you will need the student number. However, the student numbers will be issued in three batches with the first batch coming out by mid-May, the second around late May, and the last in June. And remember: the capacity of each course is limited. The earlier you apply and get the student number, the more courses are available.

I want to do the online application as soon as possible. But my passport will expire soon. What should I do?

Please wait for the new passport before you submit the application because the admission documents need to be issued based on the passport with which you will enter China. If it is close to the application deadline, please submit the application with your old passport first, and then email us a copy of the new passport later, so that we can review your application and issue the admission documents based on the new passport.

The system doesn't allow me to submit my application. What should I do?

Please make sure that you upload your photo in the specified jpg format with the right size.

Please also make sure that you upload a copy of your passport, your transcript, and certificate of university enrollment. Remember if you do not submit your application online we will not be able to review your application. From past experience, IE or Microsoft Edge works for the uploading job if you use windows and Opera works for MacBooks.

Anything that I should mind when I fill in the online application for foreign students?

Yes.

1. Please upload a head-and-shoulders photo that has the reasonable definition;
2. The fields marked with * must be filled in;
3. Please fill in your full name as it appears on your passport;
4. If you are an exchange student, your admission documents will be sent to your coordinator. If you are a self-support student, please make sure the address for the admission documents is correct.
5. Don't forget to upload a copy of your passport;
6. A transcript of your academic records is required too;
7. The last document to be uploaded is your certificate of enrollment at your home university.

I am not a native speaker of English. Do I have to provide some proof of my English proficiency?

If you are taking your current program in English, you do not have to provide any proof of your language skills. If you are not, you are advised to provide a proof, which can be a TOFLE or IELTS score, or an assessment from your English teacher that you can follow courses in English.

If I am a foreigner and I have submitted the application online, what should I do next?

Please wait for the update in the email. The process works like this: After we review your application, we will decide whether to accept you or not. If you are accepted, you will receive an email notice with the program handbook attached. Then your name will be submitted to the relevant offices at Fudan so that the student number and admission documents can be issued.

When will I get my student number to enroll in courses online?

You will need the student number to enroll in courses online, which starts in May. The timeline is as follows:

- If you apply before April 10, 2023, your student number will be sent to you around mid-May. If you apply on Apr. 10-May 11, your student number will be sent to you around the end of May. If you apply from May 12-June 8, you will have your student number around the end of June.
- There will be 3 batches of student numbers in total. When each batch is issued by the Academic Affairs Office of Fudan, the students of the same batch will get the number in the email.

When will I get my admission documents?

We will email you the confirmation when we accept you, together with the program handbook. However, many of international students will need admission documents to apply for the student visa. All the visa documents will be mailed to your coordinator or your home address once they are issued. This process is a bit long as the name list will also go through Shanghai Entry and Exit Bureau before the documents are issued by Fudan International Students Office. We suggest you apply as soon as possible if you need an X2 student visa to enter the Chinese mainland.

If you already have a valid visa to enter the Chinese mainland, please check with the program office first.

The username is your Fudan student number while the password is the “fDu+last 6 digits of your registered ID number”, usually passport or Chinese ID number (if it contains any letter, please substitute with 0-zero). You should log-in with the same username and password at <http://xk.fudan.edu.cn/> for course enrollment, elearning.fudan.edu.cn for program announcements and course documents, and payment.fudan.edu.cn for tuition payment.

Where can I find the course codes?

You can find the course codes at the course page of the FISS website.

When is the deadline to enroll in and drop the courses?

The deadline to enroll in and drop courses is **5 pm, July 07, 2023**, Beijing time.

Make sure you check your enrollment before the system closes, because if you have enrolled in one course by mistake and are not aware of it, then you will get an F on your transcript.

On the other hand, if you think you are enrolled in a course but you actually are not, you won't get the grade even if you complete all the assessment.

Please reconfirm your enrollment status with the course's TA before the system closes. Kindly note that eLearning is NOT the official platform of course enrollment. Even if your name is on the eLearning site of a course, it does not necessarily mean you are enrolled in the course.

http://xk.fudan.edu.cn/en_xk/login.action is the only course enrollment platform where you can ensure your course enrollment status.

I am interested in two courses but in the enrollment system there is time conflict between them. Can I still have the two courses?

No. If there is time conflict you can only choose one of them.

The course I want is already full in the system. Can you increase the capacity?

The enrollment period will end on July 07, and during the whole period students are free to add or drop courses. It is possible that some students will drop the course and so you can register.

We will also keep a close eye on the number of students enrolled in each course. We may discuss with the professors the possibility of increasing the capacity of some courses, but there is no guarantee that the professors will agree.

I took the placement test and was placed into the intermediate class. But I can't enroll in this course online. What should I do?

For students of Intermediate and Advanced classes we will upload the name lists into the system according to the results of the placement test. The students of the two classes do not have to enroll online. But if you take elementary Chinese please enroll online.

What can I do to drop a course after the enrollment system closes?

You won't be able to add or drop courses after the system closes. If you

fail to complete the course(s) that you have enrolled in, or if you are not able to take the final exam of the course(s), your grade for the course(s) will be F and shown on the transcript. If you fail all courses you're enrolled in, then no certificate or the transcript will be issued.

What if I fail a course?

If you fail a course an F will appear on your transcript. And if you don't get any credits from the content courses, i.e. if you take no content courses or fail all your content courses, you will not be able to get the attendance certificate of the summer session. There will be no make-up exams.

How can I pay the tuition fee?

If you are a self-paying student, please wait for the email reminding you to pay and go to payment.fudan.edu.cn to make the payment before June 23, 2023. Please note that paying with an international credit card will incur a surcharge of 3%. After you log in, you can pay with a credit card, a debit card, Alipay or WeChat pay.

When is the deadline to pay the tuition fee?

The deadline for tuition payment is June 23, 2023.

WeChat

What is the WeChat group for?

WeChat is a daily must in China. We use it to communicate, keep in touch, share experiences with friends, and pay for purchases or services. There is a group chat for every one of the summer session because we want to reach you in a fast and efficient way. We will post the announcements in WeChat, eLearning, FISS website and they will also go to your email. If you have questions that you believe others also have, you can ask them in the group chat. If you have personal questions you can add the staff or TAs as friends and have a private discussion. When you see useful information posted on WeChat, you can "Add to Favorites" so that you can retrieve it later.

How do I set up my WeChat account?

Please download the app and register according to the instructions. Our advice is you set a password you will be able to remember when registering your WeChat account and link your WeChat account to your email.

You are highly recommended to download WeChat and create an account at your home country before your departure since lots of students can hardly get the verification code sent via phone message if you don't open the mobile roaming service. Or you can download the WeChat after you got the local SIM card.

Off-Campus Accommodation Recommendation

No. Only Shanghai Summer School Scholarship holders and students nominated by CLIC can stay at ISD.

Can I rent an apartment instead of staying at the dorm?

Sure. If you are a foreigner, please go to the local police station first if you choose to stay in an apartment.

Bank Card, Transportation Card & SIM Card

I want to use WeChat pay and Alipay. But my card is rejected. What should I do?

Usually WeChat pay and Alipay work with a Chinese debit card. But unfortunately, foreigners holding short-term X2 visas are not qualified for applying a Chinese debit card.

I need a local transportation card for metro and bus rides, but I know one may not be able to buy it or do the value loading job at every metro station. What is your advice?

You can buy a transportation card with cash at Metro station.

Please note that in Shanghai you can use the iPhone wallet to pay for bus and metro rides, and the Metro 大都会 app on an android phone to pay for metro rides, WeChat Pay and Alipay to pay for bus rides. Please ask our TAs for help if you don't know how to set it up.

Where can I get a local SIM card for my phone?

You can buy one at the airport after you arrive, or at a telecommunications branch store after you arrive at Fudan.

Visa

Do I need a physical examination if I apply for a one-month X1 or X2

visa?

The summer session is a one-month program and so a physical examination or a blood test is not required to apply for the student visa with the admission documents.

I was given a 30-day visa, which may not be enough for my stay in China. Where can I apply for visa extension?

Enter with that visa. At a designated time, a TA will accompany you to Shanghai Entry and Exit Bureau to apply for the extension once you are here.

The admission notice says I should bring 8 photos to Fudan. Do I have to do this? Can I have passport photos taken on campus for the visa extension?

What the admission notice says about photos applies to long-term students. You do not have to bring 8 photos. 1 or 2 should be fine. If you don't have any, there is a photo booth close to the university entrance at Guoshun Rd., or at the metro stations.

I will not be able to arrive in time for the registration. What should I do?

Is it mandatory to take part in the language course placement test?

The placement test for the Chinese language course on the morning of July 4 is a must if you want to choose the intermediate or advance levels. Foreign students taking beginner's Chinese course and Chinese students do not need to take the placement test.

What should I do after the registration process?

The TAs will take groups of students for a brief campus tour. Then on the morning of July 4 foreign students will have the language placement test. The mandatory opening ceremony and orientation will be from 2 to 3:30 pm. Please wear the program red shirt, which you will get upon registration. Shanghai Summer School students will wear the grey shirt. We will have the group photo taken after the opening and orientation.

When can I get my e-campus card?

You can pick up your card upon registration. You can top up the card in cash at the cashier's window of the dining halls during lunch hours or do the loading job on the machines or visit ecard.payment.edu.cn to top up. You can also top it up in WeChat. The instructions can be found in eLearning. Please note that very likely during the summer vacation the e-campus card office and the cashier's window will have limited working hours. We will post the working hours once they are announced.

At the end of your stay, if there is still money in your e-campus card, please go to Room 109 Building No. 1 during the working hours to have the money back in cash. But after that the card will be invalid. Or you can use the balance to purchase gifts at the university's gift shop, which is located at the main entrance of Fudan.

Shanghai Summer School students will not pay for the Suzhou trip but will need to sign up in eLearning.

If you can't make it after you sign up, we highly advise you to withdraw your sign-up with us as soon as possible.

I want to join the Suzhou tour but I didn't pay on the registration day. Can I still go?

Sure. You can pay before the deadline at the travel agency's office.

I paid for the Suzhou tour. But I don't want to go now. What should I do?

Please pay attention to the refund deadline on the receipt given by the travel agency. No refund will be processed after the deadline.

Do I need to pay for the Huangpu River cruise, the acrobatic show, and the other activities?

No.

I have signed up for one free activity but I don't want to go anymore. Should I do something?

Yes. If you sign up and don't show up, it will be a big waste of the resources. So please do cancel your sign-up with us before the deadline. For some activities there are people on the waiting list, and so your withdrawal can

give these people the opportunity to attend.

There is an activity that I really want to attend. But it's quite late when I want to sign up for it. Can I still attend even if there are not slots available?

In that case please put yourself on the waiting list. From past experience every time there are people failing to show up despite the sign-up. When this happens people on the waiting list will be able to attend, in the order of when you waitlist.

What clothes should I bring to Shanghai for the summer session?

The average temperature in Shanghai in July is 32 degrees Celsius (around 90 degrees Fahrenheit). There could be days when the temperature is around 40 degrees Celsius. Is it mandatory to attend the farewell party?

No, but we usually have hundreds of students participate in the farewell party. Shows are welcome. Please let your TA know if you wish to contribute during the farewell, so we can make arrangements.

Do I need to sign up for the farewell party?

Yes, you have to sign up via the link posted in eLearning, before the deadline.

What document do I need to prepare if I plan to travel outside Shanghai?

You should take the original passport (or Chinese ID card) with you. Train ticket purchasing and hotel check-in do require your valid ID.

If I feel sick where can I see a doctor?

There is an on-campus clinic at Building No. 5 (复旦大学校医院 5 号楼) where simple treatments are provided. Please bring your Fudan e-campus card for the registration process. A limited number of specialists are available during the summer holiday. If you want antibiotics you may need a blood test done.

If the doctor thinks it is serious, he/she will advise you to go to a big hospital. If you have communication problems at the clinic, you can ask a TA to go with you.

It is important to have a list of local hospitals approved by your insurer on hand. If you get sick, you may want to go to a private hospital whose staff

speaking English rather than a public hospital that locals usually go to, like United Family Healthcare in Shanghai, which is more expensive than public hospitals. Therefore, it would be great if your insurance covers visits to private hospitals such as United Family Healthcare.

It would be a good idea to download the Didi app for a taxi booking and fare payments.

Is there any place where I can store my luggage during my travel after the session ends? Yes, the nearest one is at Storhub 趣存自助仓, which has no affiliation with Fudan University, at 1581 Changyang Rd., Yangpu District. Call 0211-5513-8960.

What are the emergency phone numbers?

Ambulance: 120, Police: 110, and Fire: 119.
