Course Objectives	The course aims to introduce Chinese traditional culture to students through Chinese Kungfu training experience, improve their blood circulation and physical fitness, have basic self-defense method, and have experience of Jing (Spirit), Qi (Air), Shen (Concentration of Mind) in Chinese Kungfu.		
Course Description	Chinese Kungfu, (also known as Wushu or martial arts) is one of the most well known physical arts of traditional Chinese culture which is also probably one of the earliest and longest-lasting sports using both brawn and brain. Based upon classical Chinese philosophy, Kungfu has developed as a unique combination of exercise, practical self-defense, self-discipline and art over its long history. It could be divided into two types: "external Kungfu" and "internal Kungfu". In external Kungfu, you exercise your tendons, bones, and skin. In internal kungfu, you train your spirit, Qi, and mind.		
Course Requirements:			
There are no formal course prerequisites.			
Teaching Methods:			
Demonstration, explain, discussions, Correct teaching			
Instructor's Academic Background:			
Mr.Kong received his Master degree from Beijing Sport University, which is the top 1 Sport University in China. He was an outstanding professional athlete, and won 33 gold medals, 9 silver medals and 4 bronze medals, including 4 gold medals from world class competitions during his 22-year athlete career. He was awarded National Master Sportsman, and at Sixth Grade of Chinese Kungfu. Also a National First Class Referee of Chinese Kungfu and the fifth-generation successor of Xingyi Quan. He was good at more than 20 different types of Chinese Kungfu, and gave performance of some of them in national foreign exchange activities. Now as a teacher in Fudan University, also the coach of Fudan Kungfu Team, his students won 6 gold medals, 2 silver medals and 2 bronze medals in the previous			

national competitions.
